100. Reference: 52.212-1, Instructions To Offerors, Tab 3, Staffing Plan, page 90, Volume III.

Question: The instructions for Tab 3, Staffing Plan on page 90 require offerors to complete and submit Attachment 4, Resume for Key Personnel for the project manager and all shift supervisors. We would like to ensure and validate that the ONLY resumes the Government will expect to see an offeror provide for review and evaluation is the resumes for the Proposed Project Manager and Proposed Shift Supervisors and that NO other resumes are required to be submitted as part of the proposal. Please Clarify.

CORRECTED ANSWER: From the solicitation:

- Complete and submit Attachment 4, Resume for Key Personnel (located in Section V, Solicitation Submittal Forms) for the project manager and all shift supervisors. Identify the authority/limits and dollar level/limit of financial commitment of each of the levels to hire or replace personnel, enter into subcontract arrangements, purchase materials and equipment, and negotiate task orders and contract changes.

The Government will allow offerors to only submit resumes as instructed (PM and Shift Supervisor's).

102. 102. Question: I have a question regarding solicitation TIRNO-09-R-00018, Facilities Operation and Maintenance at the Enterprise Computing Center that directly relates to the answers posted in Amendment Two.

The answer to Question 100 states that resumes are needed for ALL proposed positions since all positions required are listed. Does the Government really require resumes for all positions and all staff members? This seems to be a requirement that only the incumbent can meet.

CORRECTED ANSWER: From the solicitation:

- Complete and submit Attachment 4, Resume for Key Personnel (located in Section V, Solicitation Submittal Forms) for the project manager and all shift supervisors.
